HE1 KNIFE SHARPENER

- For supermarkets, hardware stores and plants that sharpen 50 knives per day or less.
- Affordable, compact tabletop unit that combines honing and edging capabilities.
- Sharpens blades of any length.
- Easy assembly/disassembly and maintenance.
- CE approved.

HE1 KNIFE SHARPENER

While Cozzini has established its reputation with high-volume sharpening operations, we also offer an economical tabletop or countertop sharpening unit for low-volume users.

The HE1 assures consistent cutting edges. Weighing only 23 pounds (10.4 kg) and measuring 16" x 8" x 8" (406 x 203 x 203 mm), the HE1 fits your workstation and your budget.

When it comes to sharpening knives, Cozzini has something for every level of production.
